

Moving and Handling Champions Training for Physiotherapists

DAY ONE - BUILD SKILLS

- Update your practical skills in a collegial environment
- Use a range of equipment and transfers common in aged care and community settings
- Enhance clinical decision making when assessing residents/clients and creating transfer plans
- Align with best practice, legislation and guidelines

DAY TWO - TEACH OTHERS

1. Discuss complexities and share challenges of training others in different environments
2. Consider obligations as a trainer/educator
3. Build a toolbox of training ideas
4. Explore cultural safety during teaching sessions
5. Practical demonstration practice
6. Competency assessments
